OFFERS SELF AS GERMAN MARTYR

Former Crown Prince of Germany
Willing to Stand Trial in Place
of 180 Demanded

LES PRESIDENT WILSON

Consequences to Europe of
enforcement of Allies Demand
is Incalculable

(By United Press.)
Washington, Feb. 10.—President Wilson has received a cable from former crown prince of Germany offering himself to the allies for trial in place of the 180 Germans demanded.

The cable was dispatched from Berlin, Holland, where Frederick Wilhelm is in exile. It was immediately transmitted to Wilson by House officials.

Following is the message the prince sent to President Wilson:

"The demand for the delivery of Germans in every walk of life again confronted my country. I tried for four years of war one year of severe internal struggle with a crisis that is without precedent in the history of the world, in effecting the life of people. That a government can stand out the demanded surrender of the question; the consequence to Europe of an enforcement of the demand by violence is incalculable. Hatred and revenge would make eternal. As the former successor to the throne of my German empire I am willing at this fated hour to stand up for my patriots. If the allied and associated governments want a victim let them take me instead of the 900 Germans who have committed no offense other than that of serving their country during the war."

THE SETS OF ROAD VIEWERS HERE TODAY

Give Instructions Regarding
Plans and Specifications for Proposed Highways.

OUR TO BE RE-ESTIMATES.

The sets of road viewers reported to the county auditor's office today and were given instructions regarding the preparation of plans and specifications for highways to be granted by the county board of commissioners. Not all the viewers started out today as the county engineer, Frank S. Hays, has to act with each set of viewers in the preparation of the plans.

Four of the roads, the viewers for which reported today, are to be re-estimated because they were advertised for letting last Tuesday and bids were received. These roads are the John M. Wissing and the John K. Mull highways in Walkersburg, the William B. Crane way in Anderson township and Geo. H. Myers cement highway in the Union, Center, Washington township line.

The viewers appointed for these roads, who reported today, are as follows: Willard H. Amos and Harry Powell of this city for both Mull and Wissing roads; O. C. Simpson and Edmund B. Lowden, Myers road, and J. M. Amos and Harry Reese for the Crane road.

Others viewers reporting were: Myette Peck and George Myers for the Joseph G. Green road in person township; William M. Bridge and Dewitt C. Buell for the Jesse Hungerford road in Orange township; David O. Alter and Harry Hugo for the Roy Tonysen in Anderson township; Robert McCallow and Vern Smith for the Geo. V. Spencer road in Richland township; and Alta Hurst and Harry Amos for the Elmer E. Hunt road in Orange township.

BETTER IRISH CONDITIONS

Hope For Bill to Improve Government
Expressed in Throne Speech

(By United Press.)

London, Feb. 10.—King George in his speech from the throne today in the reopening of parliament, declared that the condition of Ireland gave him grave concern and stated that a bill would be introduced immediately containing proposals for a better government for that country.

The king told the house of commons the bill was the same as that outlined at the last session of parliament. Other bills would be introduced which would make for betterment of conditions in Ireland. He mentioned particularly a measure extending educational facilities in that country.

GIVEN FIRST RANK IN THE BATIK SHOW

Examples of Old Javanese Dyeing
Shown in Indianapolis by Rushville Woman Praised

PUPIL UNDER PIETER MIJER

Examples of batik work, the old Javanese art of dyeing, which were entered by Miss Henrietta Coleman, art director in the Rushville public schools, in the batik show in Indianapolis were accorded first rank by three capable judges who passed on the exhibit. The show opened last week in the galleries of the H. Lieber Co. in Indianapolis and will continue until next Monday evening. Miss Coleman has the distinction of being one of the only two pupils who ever took work under Pieter Mijer of New York, who is classed as the originator of batik work in this country and the leading professional batik designer. Miss Coleman through some good fortune managed to get instruction from Mr. Mijer while she was studying in New York City.

The display included blouses, scarfs, fire screens, wall hangings, bags and negligees, and was under the direction of Mr. and Mrs. Walter Baker of Indianapolis.

HOME TOWN GIRL SELLS FOR \$2,000

Prize Poland China Sow Brings Top
Price at George W. Reeve's
Sale Monday

TOTAL PROCEEDS ARE \$7,000.00

George W. Reeve's sale, was well attended yesterday when he held his fifth auction of spotted Poland China sows, at his farm west of this city. While the crowd was not large those that were there were bidders and buyers which made the success of the sale. The total amount was over \$7,000 and out of the 50 head offered for sale 38 of them were sold.

The biggest single sale was the sow, Home Town Girl, which brought \$2,000. She was sold to a Lafayette stock raiser. The next largest sale was \$850 for a gilt, Plummer Dutch. The remaining hogs were sold for good prices and buyers were here from many parts of Indiana and other states.

Three well known stock auctioneers conducted the sale—Dusty Miller of this city, A. A. Figg, Danville, Ind., and Harry Henderson of Kempton, Ind.

SOCIAL CIRCLE TO MEET

The Marian Social Circle will meet Thursday afternoon at the home of Mrs. Harry Ealer in North Harrison street.

SPURN WILSON'S ADVICE

Washington, Feb. 10.—Democrats of the house were on record today as opposed to universal military training, despite an appeal from Pres. Wilson that they refrain from declaring themselves on the issue until the democratic national convention in June. They voted in a caucus last night not to follow Wilson's advice, 106 to 77.

BOSSERT LIKELY WILL BE OPPOSED

Walter Bridges of Greenfield Regarded as Probable Opponent
of District Chairman

POLL OF COUNTIES IS TAKEN

Open Opposition Found in Two
Counties and Lukewarmness in
The Others—Talk Heard Here

Little doubt exists now but that Walter Bossert of Liberty, republican chairman of the sixth district, will be opposed for re-election by Walter Bridges of Greenfield, Hancock county chairman. The talk among republican politicians has been current for some time that an effort would be made to supplant Bossert.

The first news of opposition to Bossert came from Henry county several weeks ago when the Neweastle Courier predicted that the present chairman, who has served two terms, would have difficulty in holding the job.

The Richmond Palladium has taken a poll of the district and has found avowed opposition to Bossert in Henry and Shelby counties and lukewarmness to him elsewhere in the district. The poll discloses that the fight on Bossert is more than idle talk and has assumed proportions which mean a contest when the district committee meets.

At the time The Courier stated there was opposition to Bossert and that Walter Bridges of Greenfield was being mentioned for the place, Bossert came out with a statement that there was absolutely no objections to him except in Henry county. At the time it was stated he did not know the situation because he had not been over the district. As a matter of fact, he has not been in Henry county for nearly two years and if this is true of the other counties, it is reasonable to presume he did not know the sentiment.

The Richmond paper gives no indication of the sentiment among republican leaders in Wayne county regarding a change in district chairman but did not state that prominent men in the party believed Bossert had held office long enough, two terms generally being considered the allotment for district chairmen.

Reports to the Richmond paper show avowed opposition to Bossert in Henry and Shelby counties. In Hancock county there is considerable feeling against Bossert, although no tangible opposition has yet developed. Should Mr. Bridges be a candidate, his home county would undoubtedly vote for him. In Franklin county no opposition to Bossert had been heard. In Fayette county the republicans are not exceedingly "strong" for Bossert, although no organized opposition has developed.

The reports lead to the belief that Bridges can be made district chairman, despite the efforts of Bossert's friends. In one or two of the counties the feeling against Bossert was caused by his permitting his name to be voted on four years ago at the convention in this city, which required eighty-four ballots to nominate R. N. Elliott. Bossert never withdrew his name before the convention. This is not held against him in this county, it is stated.

RAIL MEN HAVE ULTIMATUM

Meet With Director Hines Today
But Will Not Divulge Details

(By United Press.)

Washington, Feb. 10.—Leaders of organized railroad workers met Rail Director Hines this afternoon to lay before him a communication in support of their demands for immediate wage increases. The communication to be presented to Hines is understood to be an ultimatum although railroad men would not divulge its details. W. G. Lee was to confer with Hines immediately previous to the general conferences. He refused to sign the reported ultimatum.

COUNTY ROADS IN A BAD CONDITION

Several of Principal Highways Cut
to Pieces by Heavy Hauling
While They Were Soft

REPAIRS WILL BE EXPENSIVE

Hal Green, County Highway Superintendent, Will Prosecute Offenders After First Warning

Hal Green, county highway superintendent, has announced that he will prosecute persons who persist in hauling heavy loads over the roads while the frost is leaving the ground, after they have once been warned.

Rush county is facing a heavy road repair expense this spring as the result of heavy trucks and wagon, loaded to capacity, being used on the roads while they are soft. Road men who have been over the county lately say that the roads are badly cut up and that in some instances, the gravel has been ground into the mud to such an extent that it has almost disappeared. They declare that when the surface of the gravel roads is broken through, repair work is almost out of the question.

Owners of trucks are not the only offenders. Farmers as well have been guilty of hauling heavy loads in wagons in some cases, and cutting through the roads.

"I can't understand," remarked one farmer yesterday, "why some farmers have to wait until the roads get soft before they sell their wheat."

The county highway superintendent has been watching for persons who have been damaging the highways with heavy loads and recently compelled the unloading of two heavy trucks along the road because they were cutting up the road in such a fashion that it would be next to impossible to repair it next spring.

Heavy trucks have caused the principal damage to the roads. Several concerns in Indianapolis, Cincinnati and other large cities have maintained through motor transportation facilities throughout the winter and large trucks, heavily loaded have been driven over the roads regardless of their condition. A number of these trucks have mired down in mud after the frost started to leave the ground. In some places the surface of the roads have been broken through and the damage resulting has been great.

The matter of regulating motor freight transportation has been given attention by county commissioners and highway superintendent. There is an Indiana law which prohibits heavily loaded wagons on public highways unless the tires of the wheels are of certain width, but, it is said, it is questionable if any of the laws now in force would apply to motor trucks.

The concrete highways in the county, of course have held up under the heavy traffic as weather conditions have no effect on hard surfaced roadways. The mileage of concrete highways, however, is small compared to the total mileage of gravel and macadam roads. Many of the side roads which lead to the main highways are in a deplorable condition as they have not been given as much attention as the market highways and soon show the effects of heavy travel.

Road men say that the expense of repair work this spring and summer will be heavy and it is doubtful if the county will have sufficient funds available to do all the emergency work. The extent of the repair program will depend largely upon the condition of the highways after the frost leaves the ground and it is determined just what is needed.

NILES IS NEW AGENT

Walter Niles, formerly a motor man on the I. & C. traction company, today took up his new duties as day ticket agent at the local station. Miss Flora Ohtaphel resigned to take a position with the Rushville laundry. Mr. Niles, it will be recalled, suffered the loss of a hand in an accident while acting as motor man on the Shelbyville division last fall.

PROTEST ENDING GUARANTEE

Indiana Grain Dealers, Including
Arlington Man, Wire New

Many Indiana grain dealers, including Elmer Hutchinson of Arlington, have besieged Senator Harry S. New, according to a Washington dispatch today, protesting against the Groun bill which would terminate the wheat guarantee price immediately instead of permitting it to continue until June 1, the date at present fixed for its expiration.

Senator Groun has been anxious to terminate the grain guarantee at once on the theory that it would boost wheat prices for the wheat farmers of North Dakota and other wheat states, but Charles B. Riley, secretary of the Indiana Grain Dealers' Association, believes that such a termination would have the opposite effect in view of the recent break in the overseas exchange and the consequent limit on exports.

NO NEW CASES OF THE FLU REPORTED TODAY

Names of Seven Patients Are Sent
to City Health Officer Monday
Afternoon, However

DEVELOPED OVER WEEK END

The influenza situation in Rushville today was much brighter than it has been for some time, although the physicians at no time have been alarmed. Today there were no cases reported to Dr. J. B. Kinsinger, city health officer, and only a very few cases have been reported in the county.

Seven additional cases were reported yesterday afternoon, which were developed over the week-end and which were delayed in reaching the office of Dr. Kinsinger.

Those reported yesterday afternoon were Mary Alexander, Cerro Gordo street; Bert Lowe, South Harrison street; Christina Stiers, East Seventh street; Mrs. James Foley, 426 West Second; Ossie Summerville, 515 East Eighth; Fred Gale, 801 North Perkins and Mrs. Howard Carmichael, 120 East Ninth.

WILL CALL SPECIAL SESSION NEXT MONTH

Gov. Goodrich Promises at Evansville to Ask Legislature to
Make Changes in Tax Law

TO GIVE LOCAL UNITS POWER

(By United Press.)

Evansville, Ind., Feb. 10.—Governor James P. Goodrich today asserted he would ask for a special session of the legislature to be called next month to change the tax law back so as to give cities and inter-taxing units power to fix all tax rates and levies.

The governor was in Evansville as his first stop in a tour of the state to defend the tax law and his administration from the attack of political enemies.

The governor also promised good roads boosters that a good roads program would be presented to the special assembly.

Regarding the system for taxation units, the governor said he would suggest that the law be changed so as to permit city officials to make a budget for the past year or two years and then to fix the levies to meet the city's needs as outlined by the budget.

FOR MILITARY TRAINING

(By United Press.)

Indianapolis, Ind., Feb. 10.—Changes in the Wadsworth army reorganization bill now before congress which would prevent the establishment of universal military training from entailing on the country the rule of a "military dictatorship" were recommended at a conference of representatives of 29 state departments of the American Legion with members of the national officers of the Legion at national headquarters here Monday.

ASKED TO VERIFY BYRNES' CHARGES

Senator Glass and Two Congressmen
Called to Testify Regarding
Charge Against Sims

MEDAL PROBE DEVELOPMENT

Senate Committee Wants to Know if
Rear Admiral Said War Ended
Because Supplies Failed

(By United Press.)

Washington, Feb. 10.—Senator Carter Glass, Virginia, Congressman Byrnes, South Dakota and Whaley, South Dakota, all democrats were asked to testify before the senate naval affairs sub-committee this afternoon regarding the statements Rear Admiral Sims is charged with having made to them while they were visiting Europe during the war.

Sims today flatly denied the statement attributed to him by Byrnes in a recent speech in the house.

Senator Pittman democrat, requested that the congressmen be called to state their recollections of what Sims said.

Byrnes in his speech quoted Sims as having declared that the armistice had to be signed because Pershing's supplies failed, that Great Britain carried two-thirds of the American troops to France and that the United States ought to abandon hope of a world wide merchant marine and "leave the seas to Great Britain."

"I consider these very serious charges," Pittman said in making his request.

"Sure," replied Admiral Sims indifferently, bringing a titter from the audience.

Sims accused Secretary Daniels of pursuing a "defeatist policy."

This policy, Sims declared, is more detrimental to the fighting spirit of the navy than the worst form of Bolshevism is to organized government.

CONFERENCE ON THE NEW WORLD MOVEMENT

Will be Conducted at First U. P.
Church Tomorrow Night by
Dr. D. D. Dodds of Xenia

OTHERS HELD IN THE COUNTY

A conference in the interest of the New World Movement campaign is to be held tomorrow night in the First United Presbyterian church at 7:30.

February is Stewardship month in the New World Movement campaign, the aim being to enroll at least one-third of the membership of all United Presbyterian congregations as tithing stewards. Conferences are being held this week in all the congregations of Indiana Presbytery, by various leaders. The conference tomorrow night will be conducted by the Rev. Dr. D. D. Dodds of Xenia, Ohio, who is chairman of the New World Movement—in the Second Synod. Dr. Dodds will be remembered as having conducted an evangelistic campaign in the local church not long ago, and his many friends will be glad of this opportunity to hear him again. All members and friends of the congregation are invited to the conference.

A similar conference was held at the Mays United Presbyterian church last night by Dr. A. W. Jamieson of Xenia, former Rushville pastor and now synodical superintendent, and the Rev. J. H. McCain of Scotland, Ind., former Mays pastor. The same men conducted a conference at the Glenwood U.P. church this afternoon at two o'clock and will go to Springhill tomorrow.

WANTS MURDERERS PUNISHED

Washington, Feb. 10.—A demand has been made upon the Turkish government by Admiral Bristol, American high commissioner at Constantinople, that an immediate investigation be made to apprehend and punish the murderers of two American V. M. C. A. representatives killed recently by Turkish brigands.

What to do for Indigestion

"Pape's Diapepsin," by neutralizing the acidity of the stomach, instantly relieves the food souring and fermentation which causes the misery-making gases, heartburn, flatulence, fullness or pain in stomach and intestines.

A few tablets of "Pape's Diapepsin" bring relief almost as soon as they reach the stomach. They help regulate disordered stomachs so favorite foods can be eaten without distress—Costs so little at drug stores.

CENTENARIAN IS NALE AND HEARTY

Mrs. Cynthia Walton, Reared in Rush County, Passes Her 101st Birthday Anniversary

LIVES IN MISSOURI NOW

Relatives Here Receive Message Telling About Birthday Celebration—Poem is Dedicated

Mrs. Cynthia Walton, former Rush county woman, who is extensively related here, has passed her one hundred and first birthday and is still apparently in good health, despite her age, according to word received by relatives from her home in Lancaster, Missouri. She resides with her son, C. W. Walton.

Although she retains her mental faculties, there are times when her mind is not clear. She has great, great grandchildren, living in Lancaster and it is not an unusual thing for the five generations to be together at family affairs.

Mrs. Walton came here from Kentucky with her parents when nine years of age and was born and reared in this county. Shortly after being married to Mr. Walton, they moved to Iowa where they spent all of their married life. After the death of her husband, Mrs. Walton went to Missouri to live with her children.

Mrs. Walton is an aunt of Noah and Bruce Matlock, the Misses Laura and Nannie Alexander, William M. and William A. Alexander, Mrs. Mary Shropshire, Edwin and Edward A. Lee of this city. She is the last of a family of fourteen children and one of her sisters died at the age of 99 years, 11 months and 2 weeks.

A copy of a Lancaster paper containing a poem written as a tribute to Mrs. Walton has been received here by relatives and has been submitted to the Republican for publication. It is as follows:

It was a pleasant dream I had
That made the heart of me glad,
The other day.

It was about a land of rest
In richest verdure ever dressed,
So far away.

I seemed to be a spirit free
Endowed with other eyes to see
What God had wrought.

While He looked down on me and smiled
I felt as humble as a child
That may be taught.

Then fancy came and took my hand
And led me upward to that land
Of pure delight;

And it was like the month of May
Where all the wealth of endless day
Succeeds the night.

I mingled with the happy throng
That like a river flowed along
So free from care;

And with a sense of conscious pride
I drifted onward with the tide
Their lot to share.

And from a hilltop looking down
As it had been a jeweled crown
Of purest gold,

There stood the city of my dreams
With blooming flowers and crystal streams
And wealth untold.

I hastened on with eager feet
And wandered through its street by street

As would a child.
The people of that whole place
All saw the rapture in my face
—And sweetly smiled.

And there were many mansions there
On every street and thoroughfare.
One fair to view

Of rare design and all complete
And standing down on Pilgrim street
Was built for you.

My lips are sealed; I may not tell
You all I saw and it is well;
But some glad day

Like captive spirits we shall flee
To that fair land when we are free,
Away, away.

TALK OF RESUMPTION OF BRITISH RELATION

Aguilar Believes Intercourse Between Mexico and England Will be Resumed

EXPRESS DESIRE OF RETURN

(By United Press.)

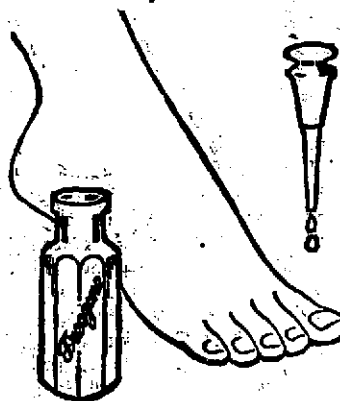

City of Mexico, (By Mail).—Following the return from Europe of General Candido Aguilar, Mexican Secretary of Foreign Relations there has been increased talk of a resumption of diplomatic relations between Mexico and Great Britain.

Aguilar declared the other day that he believed official intercourse between the two nations would be resumed at an early date. While in England, he said, he conferred with a number of officials who expressed the desire that relations be resumed.

Should Britain renew recognition of the Carranza Government, it is predicted that her action would be followed by an influx of British capital into Mexico and an intensive commercial drive. The Mexico City tramway system has been returned to the British and it is understood the latter are negotiating now to regain control of the Mexican Railway Line to Vera Cruz.

Bad Sickness

Caused by

Acid-Stomach

If people only realized the health-destroying power of an acid stomach—of the many kinds of sickness and misery it causes—of the lives it literally wrecks—they would guard against it as carefully as they do against a deadly plague. You know in an instant the first symptoms of acid-stomach—bloat, indigestion, distressing, painful bloating, sour, gassy stomach, belching, food repeating, heartburn, etc. Whenever your stomach feels this way you should lose no time in putting it to rights. If you don't, serious consequences are almost sure to follow, such as intestinal fermentation, auto-intoxication, impairment of the entire nervous system, headache, dizziness, cirrhosis of the liver, sometimes even catarrh of the stomach and intestinal ulcers and cancer.

If you are not feeling right, see if it isn't acid-stomach that is the cause of your ill health. Take EATONIC, the wonderful modern stomach remedy. EATONIC Tablets quickly and surely relieve the pain, bloat, belching, and heartburn that indicate acid stomach. Make the stomach strong, clean and sweet. By keeping the stomach in healthy condition so that you can get full strength from your food, your general health steadily improves. Results are marvellously quick. Just try EATONIC and you will be as enthusiastic as the thousands who have used it and who say they never dreamed anything could bring such marvellous relief.

So get a big 50-cent box of EATONIC from your druggist today. If not satisfactory return it and he will refund your money.

SCIATIC PAINS

QUICKLY RELIEVED

Keep Sloan's, the World's Liniment handy to allay aches.

THOUSANDS of men and women, when the least little rheumatic "crick" assails them, have Sloan's Liniment handy to knock it out. Popular a third of a century ago—far more popular today.

That's because it is so wonderfully helpful in relieving all external aches and pains—sciatica, lumbago, neuralgia, overstrained muscles, stiff joints, weather exposure results. A little is all that is necessary, for it soon penetrates without rubbing to the sore spot. Leaves no muss, stained skin, clogged pores. A bottle today is a wise precaution. Keep it handy.

Lower Money Rates Unlikely

A period of relative ease in money rates, such as is ordinarily expected at the beginning of a new year, cannot be looked for under present circumstances, it is believed by the National Bank of Commerce in New York. In the February issue of its magazine, Commerce Monthly, the bank declares that the high levels of the past month have been a reflection of heavy financial requirements which will hardly decline substantially in the near future. Leading causes of this condition are given as the unabated industrial and

commercial activity in spite of prevailing prices, the reduced stocks of gold in this country since the removal of the embargo last June, and the fact that last season's credits for crop financing have not been liquidated because labor and transportation difficulties have hindered the marketing of crops.

"Under normal conditions", the bank says, "as the funds paid out in dividends and interest or on maturing obligations are redeposited in the banks, the money market has customarily experienced a period of relative ease after the turn of the year. Such a condition cannot be looked for under present circumstances."

"Continued firmness in money rates is expected because of the large and increasing demands for funds, on the one hand, and the necessity of strengthening the banking position by conservation of credit on the other. The extension of banking facilities has approached a point where it is necessary to restrict further accommodations to sound and essential productive undertakings. The volume of credits needed by such undertakings will hardly decline substantially in the near future. Industrial and commercial activity, on the prevailing level of prices, continues unabated, while the normal liquidation of credits for crop financing has not been effected because labor and transportation difficulties have hindered the movement of crops to market. With the full absorption of banking facilities in meeting necessary requirements, it is essential to the safeguarding of the banking position that unnecessary accommodations be eliminated or reduced to a minimum."

What is there left for an American senator to say against Americanized reservations to the peace treaty and league covenant when even a dyed-in-the-wool British statesman like Lord Grey concedes the justice of the Lodge reservations, the right of America to adopt them, and makes it plain the British government stands ready to accept them if they are included in the resolution? If certain of our representatives in Congress and high official life are less American than even a foreigner who has studied our Constitution, it is high time that the American people know it.

Henry P. Fletcher, for 18 years in the diplomatic service, has resigned as ambassador to Mexico. Mr. Fletcher's resignation is voluntary and is in itself a severe commentary on the policy of this government with respect to Mexico. He is convinced of the uselessness of trying to accomplish anything for the betterment of the satisfactory protection of American rights and life under the existing regimes in Mexico City and Washington.

A Bill has been introduced in the Senate requiring presidential candidates to announce their Cabinet selections in advance of election. Its

Grace in a woman is more beautiful than beauty.

The way to dodge the flu is to behave yourself—and forget it.

The hard part about being a great man is that you have to keep it up.

Be careful how you fool with a man who takes his time before getting mad.

He was a marked man in the village because of his rigid devotion to the Quaker garb and custom. A prosperous Quaker, as most of them are. His views were never aired. It was of record that he bought no Liberty Bonds but he contributed heavily to relief funds for Belgium and France. A rather surly man, afterwards interned, drove the bakery wagon. He was obviously German. One Saturday he ran afoul of the Quaker. It was at the time the Lusitania had been torpedoed. Exactly what passed was never known except that a neighbor who had strolled over to return a borrowed tin pail said she heard the Quaker say:

"There is glad the steamer was sunk?" There was a sudden clinch and the German was hurled to his knees and two sturdy hands had him by the throat and the kneeling man was desperately gasping for life while a mild voice said:

"I cannot strike thee, but I can hold thee."

**Fine Metals Make a Fine Car**

As a car is 98% metal you can readily imagine how great a part metals play in its quality. A Maxwell is made of fine metals—extra fine metals; otherwise it never could have survived those 1,500,000,000 miles that owners are estimated to have driven it.

These metals had to be of the finer grades in a Maxwell. For a Maxwell is light—2130 pounds. Lighter metals had to be used but lighter in weight only—not in strength.

Such metals are the extra fine metals that the great science of metallurgy has produced. They are high priced. But they have won countless friendships for Maxwell, developed a great family of owners approaching 400,000 in number.

This vast number is growing daily at the rate of 100,000 per year.

MILROY GAME HAS BEEN POSTPONED TILL FEB. 23

Rushville High School Team Crippled on Account of Sickness, Has Game Put Off

THE ENTIRE TEAM IS SICK.

Disappointment ran high in Milroy and Rushville today, when it was announced that the basketball game scheduled for tomorrow night here, between the two high school teams, had been postponed until Monday night, February 23.

Three members of the local team are out of the school on account of illness. Frazee was suffering with a cold today, and Eakins not having recovered from injuries sustained in the Liberty game last Friday. The crippled condition of the team was the cause of the postponement.

The Milroy school authorities were appraised of this fact this morning, and were told that this school would have to be represented with second string men, but the Milroy team decided that they would rather play the first team here at a later date, than to have the locals put up an alibi for a defeat. Milroy is confident that they can win from the locals, and stated they were willing to wait. The game as scheduled now, will be on Monday preceding the invitational tournament that will be held here on the following Saturday, at which time Milroy and Rushville will probably clash again.

Big Comedy at Princess Tonight

Doris May and Douglas MacLean will be the attraction at the Princess Theater tonight in a screen version of the stage play, "What's Your Husband Doing?" The picture is described as a rollicking comedy about young husbands and wives and a grand mix-up at a lively roadhouse.

Miss May has the role of Beatrice Ridley, newly married and suspicious of the notes which her husband gets every morning from "Honey-suckle Inn." She consults Douglas MacLean, in the role of John Widgast, a lawyer, and they resolve to investigate. In the meantime, the wives of Widgast and Pidgeon, his partner, have become jealous of the divorce business which their spouses find necessary to talk over with pretty co-respondents and other designing creatures.

The real reason for young Ridley's letters are that he owns a share in the Inn and is trying to sell it out. On the same evening that he goes to close the deal, taking Pidgeon with him to draw up the papers, Widgast and the lawyers' wives and Beatrice also appear at the road house. And to cap the climax, the place is raided by the police in a most amusing fashion.

The film, which was produced by Thomas H. Ince, is said to provide a fine vehicle for these youthful stars, who have already established themselves in high favor with screen fans.

Mother and Daughter Doing Well

"Mother and myself, taking the advice of some kind friends, are taking Mayr's Wonderful Remedy for bad stomach and liver trouble and bloating. The medicine is rightly and well named 'Wonderful' for such it is. It has certainly done wonders for us both." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At Druggists Everywhere. Adv.

attendance was present and after the regular business session and program dainty refreshments were served.

Miss Belle Gregg will entertain the members of the Shakespeare club tonight at her home in North Jackson street. Mrs. C. L. Smullen will be the assisting hostess and Miss Katherine Petty will be leader of the program.

Mrs. Harvey Arnold entertained Sunday at her home in Falmouth, honoring the birthday of her husband and her sister, Miss Helen McClure. A pitch-in dinner was served at noon. The center of the table was decorated with a bouquet of carnations surrounded by a mound of fruit. Covers were laid for thirty-five guests.

The Band of Workers of the First Presbyterian church will meet tomorrow afternoon at two o'clock at the home of Mrs. Ralph Payne in North Harrison street. The assisting hostesses will be Mrs. William Wallace and Mrs. Louis Neutzelner. As business of importance will be brought before the meeting, a large attendance is desired.

Plans were made at the regular meeting of the Tri Kappa sorority last night to hold a Valentine party next Monday evening at the home of Mrs. Loren Martin, 235 North Harrison street. Mrs. Kennard Allen was hostess to the sorority last night when a guessing contest provided entertainment for the guests. Mrs. Carl Tingle of Dayton, Ohio, formerly Miss Mayme Hiner, who is visiting her parents, Mr. and Mrs. John Hiner, was a guest last night.

The Monday Circle held their regular meeting yesterday afternoon at the home of Mrs. Louis Lambert in East Seventh street. Following a short business meeting the club continued their studies in Modern Belgium and France. Mrs. B. F. Miller read a paper on "Our First Alliance" and Mrs. E. I. Wooden gave a discussion of "The Case of Alsace-Lorraine". The next meeting will be held in two weeks and at that time Mrs. Demarehus Brown will lecture on "Some Nineteenth Century French Novelists".

Members of the Phi Delta Theta fraternity here have received word of the annual state dance of the fraternity which will be given in the ball room of the Athenaeum club in Indianapolis Saturday evening, February 14. The committee in charge has made an effort to communicate with every member of the fraternity in the state, but the addresses of many are not available and those who have not received invitations are urged to communicate with the state dance committee at the Phi Delta Theta house in Greencastle, Ind. Smith's saxophone trio of Lexington, Ky., has been engaged for the dance and professional entertainers will enliven the intermissions.

William VanSeyoe of Glenwood was very pleasantly surprised on Thursday, Feb. 5, the occasion being in honor of his 40th birthday. An excellent pitch-in dinner was served at the noon hour. The guests were Mr. and Mrs. Edward Wilson, Mr. and Mrs. John Fielding, Mr.

Announcements have been received here of the marriage of Elmer Ryon, son of Mr. and Mrs. Ryon of this city, and Miss Mary Helen Stout, a talented young violinist of Greensburg, which occurred Saturday evening at 5:30 o'clock, at the home of Mr. and Mrs. Chris Link of Greensburg, the Rev. I. C. Overman of the Baptist church performing the ceremony. Only a few friends of the bride were present for the ceremony. Miss Stout is the daughter of Mrs. Jennie Stout of Greensburg. Mr. Ryon is well known in this city and county, having been engaged with the Milroy Press for a few years and with his father in the grocery business in this city for a time. He is at present a member of the Greensburg Evening Times editorial staff. Miss Stout is a talented organist as well as a violinist and has been connected with a music store in Greensburg for several years. The young couple will reside in Greensburg.

ELDERLY MAN IS SUPPORTER OF NEW METHOD

Says He Tried Everything But Trutona Alone Brought Relief

Terre Haute, Ind. Feb. 9.—"Trutona has benefited me more than anything I have ever taken and if there is a medicine that I haven't tried, in the past five years, I don't know what it can be," James Hyland, 65 years, who lives at 318 South 131 Street said recently.

"For the past five years," he continued, "I've suffered from liver and kidney trouble and rheumatism. My right side and back ached almost continually. I experienced a sort of cutting knife-like pain in my lower limbs at times. Because of these I couldn't get a good night's sleep. Most everything I ate was taken against my will. I was having a terrible time of it."

"I have taken almost seven bottles of Trutona and I'm convinced that it is surely a good medicine and worthy of a trial. My appetite is wonderfully improved. I don't have to force myself to eat any more and I enjoy my meals. The pains in my right side and back have been relieved and the cutting pain in my limbs is greatly improved. I'm able to sleep soundly and get a good rest every night now."

Trutona is now being introduced and explained in Rushville at Hargrove and Mullin's.—(Adv.)

GOV. GOODRICH WILL DEFEND STATE LAW

Starts on Indiana Tour For Purpose of Explaining The Law Which Has Caused Confusion

MANY STOPS WILL BE MADE

(By United Press.)

Indianapolis, Ind., Feb. 10.—Governor James P. Goodrich was to start on a stumping tour of the state today in defense of the state tax law enacted by the 1910 general assembly.

Although the governor has not made public what line of argument he will follow, it is generally conceded that his speeches will be along the line he delivered at the banquet of republican editors in Indianapolis recently. This speech is said to have broken down some opposition to his administration which was apparent within his party ranks.

The first stop will be made tonight in Evansville. He will talk in Perry county tomorrow, Logansport Thursday, Fort Wayne Friday, Vincennes Friday, February 17 and New Albany February 18, according to the present schedule.

In all his talks the governor will make a majority of the assertions that the home owners of the state will pay lower taxes this year under the new tax law and that the larger business concerns said to have been escaping their full assessments will pay their just share. He also will defend the state administration and its policies of economy. He will review his promises of the 1916 campaign which he says square with the accomplishments of his administration.

In Egypt yellowish-brown, the hue of the dead leaf, is worn as the emblem of mourning.

Itched Till Almost Crazy

"For years my hands were almost raw. They itched so bad I was almost crazy. Suffered day and night. Used all kinds of medicine and got no relief. Lost all hopes of ever being cured until I got a trial bottle of D. D. D. Results were so great I got a large bottle. Can sleep now and will always praise D. D. D."—ROBERT E. HOLMES, Manakin, Va.

Anyone suffering from skin trouble—mild or severe—should investigate at once the merits of D. D. D. Try it today. We guarantee the first bottle, 25c, 50c and \$1.00.

CANNED TOMATOES TO PROBABLY BE HIGHER

Indiana Growers Demand \$20 a Ton For This Year's Crop Which Will Mean Higher Prices

MEETING HELD TODAY.

Indianapolis, Feb. 10.—Whether canned tomatoes will be higher or lower in price on the Indiana market was to be decided here today.

Representatives of the tomato growers and the Indiana Canners' association were to meet here to reach an understanding about this year's crop. The Indiana growers at a recent meeting voiced the opinion that they should receive \$20 a ton for their crops. Whether this would be the price demanded of the canners today was not known.

Each of the ten state districts of the Indiana Federation of Farmers' association sent a representative to the meeting today. In the group were: Percy Jansen, of Gary; D. N. Kemp, of Kempton; N. B. Parson, Plainfield; Christian Peacer, Indianapolis; Emory Left, Washington; Chester DeVore, Johnson county; H. H. Starkey, Velpen; J. Rose Robinson, Brownstown.

These men attended mass meetings of tomato growers Saturday each in the district he represented to get the sentiment of the great body of tomato growers toward the increased price.

MRS. VAL CURTIS EXPIRES

Woman Well Known at Falmouth Dies Following Operation

Mrs. Val Curtis, aged 52 years, died yesterday morning at 8:30 at the Memorial hospital in Connorsville, following an operation for gall stones. Besides her husband she is survived by one son, Carl, two sisters, Mrs. Eli Griffith of Connorsville and Mrs. Emma Taggart of Richmond, and four grandchildren. The deceased was well known in and around Falmouth. The funeral services will be conducted this day afternoon at two o'clock at the Christian church in Bentonville and burial will take place in the church cemetery.

TO INSTALL BENCH

J. Kennard Allen, will install a bench in a room over his place of business in Main street, he announced today, and will grind lenses for eye glasses instead of sending them out of the city as at present. With this addition to his equipment, he will be able to give customers better satisfaction.

ONE RESULT OF WINTER

Life indoors with lack of exercise, together with the heavy food of winter, is apt to throw the delicate digestive machine out of order. Foley Cathartic Tablets are a wholesome physic that thoroughly cleanse the bowels without griping or nausea. They sweeten the stomach; invigorate the liver; banish headaches, biliousness, bloating, gas, bad breath, coated tongue. Persons inclined to weigh too much say they have no equal for bringing a light and free feeling. F. B. Johnson.—(Adv.)

GENERAL STRIKE ORDERED

Railway Maintenance and Shop Laborers Called For Feb. 17

(By United Press.)

Detroit, Mich., Feb. 10.—General strike of 300,000 members of the united brotherhood of maintenance of railway employees and railway shop laborers has been called for Tuesday February 17, at a meeting of the general chairman of the brotherhood here.

The strike was announced by Allen E. Barker, grand president, after numerous communications from J. B. Malloy, grand vice-president, at Washington to conduct negotiations with railroad administration. Malloy advised the brotherhood that no hope of favorable settlement existed.

Yellow Mustard For Rheumatism

A good hot mustard plaster or poultice is pretty sure to overcome most rheumatic pains and even sciatica and gout but it's a mussy affair and generally blisters.

Heat is absolutely necessary if you want permanent relief. Begy's Mustardine, made of true yellow mustard with other pain relieving ingredients added is just as hot, is cheaper, cleaner, and more effective than the old fashioned poultice or plaster and cannot blister.

Besides rheumatic pains and swellings Begy's Mustardine is speedily effective for lumbago, backache, neuritis, pleurisy, bronchitis, sore throat, chest colds and all aches and pains because heat eases pain—30 and 60 cents at druggists or by mail, S. C. Wells & Co., LeRoy, N. Y.

Service

We maintain a service station for the purpose of taking care of the cars we sell. We have in our employ three of the best mechanics in Rushville and can do anything from the small adjusting to a general overhauling—Now is the time to have such work done.

The Family Cream Separator

The entire family will appreciate the wonderful Sharples Separator, which skims clean at all speeds. The women-folk or the children can turn it as slow as they please and still get all the cream. And you, yourself, when tired, can safely slacken down without any cream loss—a thing you could do with no other separator.

SHARPLES famous Suction-Feed Separator

—the only separator that will skim clean at widely-varying speeds
—the only separator that gives cream of unchanging thickness—all speeds
—the only separator that will skim your milk quicker when you turn faster
—the only separator with just one piece in the bowl—no disc, easiest to clean
—the only separator with knee-low supply tank and once-a-month oiling

Over a million Sharples users! Made and guaranteed practically forever by the oldest and greatest separator factory in America. Bring in the whole family, and we'll show you the exclusive advantages of this wonderful machine
